Nicholson: 308-386-8378 **by January 22, 2023**

or send to NS&GP P.O. Box 1066 Chadron, NE 69337

Featured Speakers: Dr. Alison Crane, Ph.D. Executive Director for the Wyoming Wool Growers

Crane was hired in 2017 as State Sheep and Meat Goat Extension Specialist for Kansas State University. Her focus is on nutrition, reproduction and management. In May 2022 she was hired as the Wyoming Wool Growers Association's Executive Director. Crane's background in small ruminant science, combined with a passion for working with sheep and goat producers will increase your knowledge about your animals

Donna Dexter - 2T Livestock - Hemingford , NE

Donna and her family have been raising show lambs and goats for many years. Their focus is to raise and sell quality show lambs and goats for a reasonable price. Donna will talk about how to pick out your show lamb and goat and answer questions about how she handles lambing and kidding.

Other topics: What to do when in trouble, Taking care of the neonate, and much more.

We will have a nutritionist, Veterinarian and producers panel to answer all your lambing and kidding questions and show you some hands on techniques on how to tube, dehorn, band, and vaccinate your newborn lambs and kids.

2023 Lambing & Kidding School - See prices above

Due January 22th
