

2025 Annual Meeting and Conference

Sponsorship opportunities

This year our annual meeting and conference will be held in Columbus Nebraska on November 14th and 15th. We'll be touring a couple of different sheep and goat operations, have an evening social, and several different presenters. This is a great opportunity to build relations, outreach, and brand recognition with Nebraska's sheep and goat producers. Our typical turnout 30-40 members, and we are working hard to increase numbers this year.
